### Exquisite Finish

Edge Prefinished proprietary Armorshell color finishing process creates a beautiful look for your home that will stand out for years to come. PPG Machine Applied Coatings, the industry leader in building material coatings, provides Edge Prefinished one of the broadest color spectrums for pre-finish design in the market.

### ArmorShell Warranty

Backed by the strength of a 30 year substrate warranty and a 15 year finish warranty, Armorshell provides the armor for your home against nature's worst.
